LAP TIME

Drivers, start your engines! (Your quarter drops, and the rumbling of engines is heard)

The checkered flag falls, and you're off! Picking your way around the barriers and skidding through the "less"-curves! Speeding on the straightaways to beat your own previous time! The **EXCLUSIVE KEE** feature the **LAP-TIMER**, slides away! You downshift, race around the switchbacks-fighting against time! Realistic engine, crash, skid & shifting sounds! **"FORMULA K!"** it's guaranteed you'll win—eventually!

FEATURES:

- Most thoroughly-tested computer yet!
- 33" Motorola monitor!
- Operator-adjustable time (set for 90 seconds, at the factory!)
- **EXCLUSIVE LAP TIMER**: Light-Emitting-Diode (as used on 41000 timepieces) clock gives lap times to 1/100 of a second!
- Not only 4-speed slide-shifting, but on every game— an **AUTOMATIC DRIVE** button for ladies & kids—a must for novices!
- One or two games for a quarter—at operator option!
- Tasteful, woodgrain cabinet—can be placed in all the plush locations!
- Operator—adjustable sound. Start 'em in the decade-silly attract 'em in the tavern!
- Heavy Steel locking coinbox!
- Foot pedals for gas & brake!
